

# Green River Flooding **ARE YOU READY?**

**Agricultural landowners, farmers and related business operators** are encouraged to attend this public meeting to help prepare now for a higher risk of flooding in the Green River Valley this flood season.

Please attend this meeting to learn more about:

- What you can do to help protect your farm or property against flooding;
- How Snoqualmie Valley farmers minimize impacts to their operations, livestock, and equipment during floods;
- Options for sheltering equipment and animals; and
- How to safely dispose of any hazardous materials.

To learn more about the increased flood risk in the lower Green River Valley and how to prepare, visit:
